The **annual members meeting** is carried out in **Oldenburg, Germany, in February** of the next year (**10.02.2021**), one day before the beginning of the Oldenburg Pipe Forum (11. till 12.02.2021). During the two ensuing days the DCA is represented by an information stand at the Pipe Forum (IRO). Furthermore each autumn has our **Annual Congress**, organised in form of a three-day symposium, with a supporting program. This year our annual congress takes place in Bonn, Königswinter, Germany, from the 07<sup>th</sup> October to the 09<sup>th</sup> October, 2020.

**Official press** organ of the DCA for the German-speaking area is **the magazine bi-environmental construction**, which is published every two months. Furthermore, the DCA presents articles in the international edition of the magazine 3R. As a member you receive free copies of both magazines from the publisher or sent by the association.

Furthermore we want to give you the opportunity to present your company free of charge in **DCA`s Newsletter** (about 1 page in DIN A 4). Please send your contribution for the **next edition** in English and German (if possible) on data carrier or by e-mail to our office in Aachen, the latest by **30th of May 2020** (*a.quante@dca-europe.org*). We would appreciate it if you considered to actively participate in the formulation of one of the next Newsletter editions.
